## Privacy Terms and Legal Information

January 2010

### User Generated Content

WINTERHELLER software does not claim ownership of the materials you provide to WINTERHELLER software (including feedback and suggestions) or post, upload, input or submit to any Services or its associated services for review by the general public, or by the members of any public or private community, (each a "Submission" and collectively "Submissions"). However, by posting, uploading, inputting, providing or submitting ("Posting") your Submission you are granting WINTERHELLER software, its affiliated companies and necessary sublicensees permission to use your Submission in connection with the operation of their Internet businesses, including, without limitation, the license rights to: copy, distribute, transmit, publicly display, publicly perform, reproduce, edit, translate and reformat your Submission; to publish your name in connection with your Submission; and the right to sublicense such rights to any supplier of the Services.

No compensation will be paid with respect to the use of your Submission, as provided herein. WINTERHELLER software is under no obligation to post or use any Submission you may provide and WINTERHELLER software may remove any Submission at any time in its sole discretion.

By posting a Submission you warrant and represent that you own or otherwise control all of the rights to your Submission as described in these Terms of Use including, without limitation, all the rights necessary for you to provide, post, upload, input or submit the Submissions.

### Collection of Your Personal Information

At some WINTERHELLER software sites, we ask you to provide personal information, such as your e-mail address and your name. We may also use your personal information to communicate with you. We may occasionally send you newsletters, product surveys or promotional mailings to inform you of other products or services available from WINTERHELLER software.

We may collect information about your interaction with WINTERHELLER software sites and services. For example, we may use website analytics tools on our site to retrieve information from your browser, including the site you came from, the search engine(s) and the keywords you used to find our site, the pages you view within our site, your browser add-ons, and your browser's width and height. Additionally, we collect certain standard information that your browser sends to every website you visit, such as your IP address, browser type and language, access times and referring Web site addresses.

### Use of Your Personal Information

WINTERHELLER software collects and uses your personal information to operate and improve its sites and services. These uses may include providing you with more effective customer service; making the sites or services easier and to use performing research and analysis aimed at improving our products, services and technologies. We will not disclose your personal information outside of WINTERHELLER software and its controlled subsidiaries without your consent.

Should you agree to your details being forwarded in the Professional Planner registration form, your data will be **forwarded** to selected **partners** (only to those partners whose website forwarded you to the registration) who would like to contact you by phone, e-mail or mail and send you information about products and services - free of charge and without obligation.

### Changes to This Privacy Statement

We will occasionally update this privacy statement to reflect changes in our services and customer and partner feedback. We encourage you to periodically review this statement to be informed of how WINTERHELLER software is protecting your information.

### **General Disclaimer**

WINTERHELLER software GmbH does not represent or endorse the accuracy or reliability of any of the information, content, or advertisements (collectively, the “Materials”) contained on, distributed through, or linked, downloaded, or accessed from any of the services contained on this Web site (the “Service”), nor the quality of any products, information or other materials (the “Products”) displayed, purchased, or obtained by you as a result of an advertisement, or any other information or offer in or in connection with the Service. You hereby acknowledge that any reliance upon any Materials shall be at your sole risk. WINTERHELLER software GmbH reserves the right, in its sole discretion and without any obligation, to make improvements to, or correct any error or omissions in any portion of the Service or the Materials.

The service and the materials are provided by WINTERHELLER software GmbH on an “as is” basis, and WINTERHELLER software GmbH expressly disclaims any and all warranties, expressed or implied, including without limitation warranties of merchantability and fitness for a particular purpose, with respect to the service or any materials and products. In no event shall WINTERHELLER software GmbH be liable for any direct, indirect, incidental, punitive, or consequential damages of any kind whatsoever with respect to the service, the materials, and the products.

WINTERHELLER software GmbH encourages you to exercise discretion while browsing the Internet using this site. WINTERHELLER software GmbH makes no representations concerning any endeavor to review the content of sites linked to this site or any of the Materials, and so WINTERHELLER software GmbH is not responsible for the accuracy, copyright compliance, legality, or decency of material contained in sites listed in the directory or in the Materials.

### **Business Partners**

Business partners of WINTERHELLER software GmbH and its subsidiaries, such as consulting partners, business partners or implementation partners, may be permitted to use specific WINTERHELLER software GmbH logos and downloads that indicate the nature of their business relationship with WINTERHELLER software GmbH or its subsidiaries. In addition to these guidelines, use of partner logos is governed by the respective business partnership agreement and related guidelines.

### **Product Description**

Representations of products of WINTERHELLER software GmbH and its subsidiaries must be fair. A representation should look like the product of WINTERHELLER software GmbH or its subsidiaries and should not reflect negatively on WINTERHELLER software GmbH or its subsidiaries.
