Customer opinions

Your opinion is important to us! Therefore, we are glad to present you a short extract of what satisfied customers say about us:

"As we are operating in extremely individual areas, implementing one closed system seemed impossible. We have started to use the system in our group and as a result, endemol Deutschland received the title Best Practice. But mostly importantly, the end users are satisfied. With Professional Planner we did it!"

Rüdiger Nottscheidt, Head of Controlling, endemol Deutschland GmbH

"Professional Planner has helped us to save 50% of the time needed for creating reports, meaning that our controllers can dedicate more time to researching what makes a business successful – this is what we have been doing successfully in the last 10 years."

Karl and Franz Wagner, Managers, Bäckerei Wagner

"You can only win if you plan ahead! By deploying the planning software Professional Planner, we do not put the future success of our corporation at risk!"

Helmut Karg, CEO, Johannesbad Reha-Kliniken AG

"Professional Planner provides us with the essential support needed to ensure sustained profitability in our company."

Gisela Grunau, Managing Director, L.N. Schaffrath DruckMedien GmbH & Co KG

"Professional Planner provides absolute flexibility for simulations and scenarios, which enhances our forecast quality considerably."

Ralf von Jordans, CFO, WDR mediagroup GmbH

WINTERHELLER

"Now we are able to analyze Manpower's profit and performance figures and plan future developments. Professional Planner is a completely integrated solution for managing Manpower and its affiliated companies."
Thomas Kuhn, CFO, Manpower GmbH

"Never before have we had such exact capacity planning."
Jochen Zumbach, Head of Controlling, SRH Learnlife AG

"The deployment of Professional Planner is a valuable necessity for our daily decision-making."
Dr. Jochen Walter, Board of Directors, Stiftung Pfennigparade

"Professional Planner creates cost transparency – an important prerequisite for identifying cost saving potentials. The measures derived help to save 1% of fixed costs annually, while our sales increase."
Ralf Schreiber, Board of Directors, TownTalker Media AG

"Thanks to Professional Planner, double inputs and errors in data transfers are now a thing of the past."
Rainer Müller, Managing Director, Velleuer GmbH & Co KG
